22 sep 2017 there is no difference you are is normally contracted to you re in speech because english doesn t like two vowels without a consonant to separate them and one of them gets deleted

8 sep 2023 since which i m sure you are is a parenthetical comment which can be omitted without changing the overall meaning it should be set off by commas dashes or parentheses in comments

29 aug 2021 please clarify your specific problem or provide additional details to highlight exactly what you need as it s currently written it s hard to tell exactly what you re asking

the two sentences mean the same exact thing however as a native english speaker in the us i would absolutely say it s far more common to hear you re welcome you are welcome is a phrase i ve said

for the usage you are you re gonna is more common you gonna is not unheard of but it s pretty sloppy note that in some situations like ebonics you gonna is considered perfectly natural if not

28 feb 2022 could we use quot thank you too quot for the response to someone has thanked us is it grammatically correct to use that

26 sep 2020 as i mentioned in my comment the usage depends in reference to the context of where it is used both sentences are grammatically correct and can be used but then again it depends on

i m writing some informal texts with some slang words and i ve been wondering if i should put are after you in some of them 1 you gonna lose that key or you re gonna lose that key 2 you

11 aug 2019 i don t really understand the rubber and glue reference in the idiom i m rubber you re glue whatever you say bounces off me and sticks to you since as we all know glue does stick on

9 nov 2023 imagine that you re having a really sweet and high fat piece of cake at first you can have it just fine but after a while you get sick of its overwhelming taste how do i describe that i am now
